Review of Hazing and Initiation Policy

Submitted by: Chris Geyerman

6/19/2000

Question:

Whether the Athletic Department's recently approved policy on hazing and initiation was parallel with policies relative to campus fraternities and sororities.

Senate Response:

Review of Hazing and Initiation Policy: Dr. Geyerman

Dr. Chris Geyerman (CLASS and Faculty Athletics Committee member) addressed a question posed at the April 24 meeting about whether the Athletics Department's recently approved policy on hazing and initiation was parallel with policies related to campus fraternities and sororities. Geyerman stated that the Athletics Department developed their policy, which was subsequently approved by the Faculty Athletics Committee, to more clearly address the subject in the policy manual. He believed that the policies were not necessarily parallel because the contexts relative to the policies were different.
